

I Always Wanted A Brother (Capo: 4)

Mufasa

Intro | **Em** | **A** |

Verse 1

When I am king, no other animal will break my stride, break my stride
And my brother, my brother, when I'm king
You'll always take my side. Ha! Yeah, right, that's right
When you are king, no other animal will break our pride, break our pride
And my brother, my brother, our prey may run away
But they can't hide, watch your hide

Chorus 1

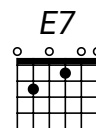

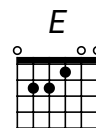

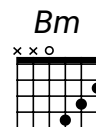

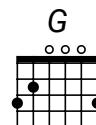

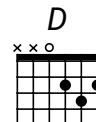

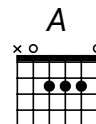

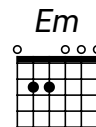

Let's go, let's go, let's go!
Hey, did your Mama say you could be up this late?
Okay, she didn't say, either way, hide away, let's go!
Hey, did your Father say you could be out this far?
Okay, we're on our way, on our way, run away, let's go!
Hey, did your Mama say you could be up this late?
Ha-ha! You're very sharp, yes you are, yes you are, let's go!
Hey, did your Father say you could be out this far?
Make a wish on the brightest star, and I say

Post-Chorus 1

I always wanted a brother, I always wanted a brother
I always wanted a brother, just like you
And I always wanted a brother, I always wanted a brother
I always wanted a brother, just like you
