

Silent Treatment (Capo: 1)

Freya Skye

C *Em*
Verse 1 You played it cool, and I played it dumb
G /
Don't you think I'm a little too young to be messed with like that?
C *Em*
So convincing, you made it look fun
G /
Laugh it off, but the damage is done, saying, "Baby, just relax"

Am **Bm**
Pre-Chorus 1 I got my hopes too high, you hardly said goodbye
C **D***
Then casually walked out of my life

C **G**

Chorus 1 Oh, we don't talk anymore, talk anymore, talk anymore

D

Gave me the silent treatment

Em

The least you could've done was give me a reason

C **G**

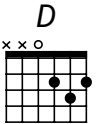

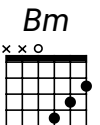

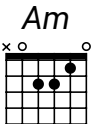

And I can't ignore, I can't ignore, I can't ignore

D

The way I hate you for leaving

Em

Too much free time staring up at the ceiling

Verse 2 It's been a month since you went and checked in
I wanna ask, "Where the heck have you been?"
'Cause I've been right where you left me
Poured my self-control down the sink
Almost die every time the phone rings
Why won't somebody help me?

Pre-Chorus 2 **Am** I got my hopes too high, read in between the lines
C **D***
Am I supposed to read your mind?

N.C. /
