Verse 1   I remember days feeling like lost time
                                    Amaj7
Tripping over lines that I tried to rhyme
                            Cmaj7   *N.C.*
In too deep, nearly lost my mind (ooh, woah)
Emaj7   *Bm7*
Sooner or later they gon' call you back
                                Amaj7
Domino effect and they all react
                            Cmaj7
Feeling like I'm living in rewind

            Emaj7   *Bm7*

        Amaj7   *Cmaj7*
All the colors arrange, so I let it all fade
            Emaj7   *Bm7*
And I know things gon' change, no there ain't stoppin' fate
        Amaj7   *Cmaj7*
All the colors arrange, so I let it all fade
