

What If (Capo: 2)

Cody Fry

Intro | **C** | **F** | **Am** | **F** |

Verse 1 **C** / **F** /
I drive across bridges so worried about falling that I miss the view
C / **F** /
Already watching the news reports saying, "there was nothing anyone could do"

Pre-Chorus 1 **Dm - C/E - F** **Am** /
In my mind, what if I fall
Dm - C/E - F
What if it's in my mind

Chorus | **C** / **F** /
What if I fly, get a little higher
Am / **F** /
Get out of my head for a minute, and just feel the wind on my face
C / **F** /
Maybe the fear just means I'm alive
Am F~
Maybe I'll fall, but what if I...
C Dm - C/E - F / - G - Am Dm - C/E - F /
Fly, fly, fly (what if I, what if I)

Verse 2 **C** / **F** /
I think of you, pick up my phone, then put it down again
C / **F** /
There's no way for you to reply to the messages I never send

Pre-Chorus 2 **Dm - C/E - F** **Am** /
In my mind, we'd never fall in love
Dm - C/E - F
But what if I'm on your mind

| Chorus

Bridge **G** / **F~** /
Yeah, when I get to the end of my life, I wanna know that I used my time
C / **F** /
So what if I fall straight out of the sky
Am / **F** /
Would I rather look back and wonder, or know that I actually tried

| Chorus
