Intro |: G | Bm7 | Cmaj7 | Am7 :| x2

Interlude |: G | Bm7 | Cmaj7 | Am7 :| x2

Verse 1

Woke up early in the morning
 Just to feel the light of day
 Had to open up my window
 Get the shadows out my way
 Banana pancakes for my problems
 Find me jamming old Jack Johnson
 Swear I heard them angel calls

Chorus

Falls
 Heaven falls, heaven fa-a-a-a-alls
 As heaven falls, heaven falls
 Heaven fa-a-all down on me

Ukulele (Outro) | : Fmaj7 Am7 | Bbmaj7 |
 | Dm7 Am7 | Bbmaj7 :| x6

Chorus

Lay outside as heaven falls
 Heaven falls, heaven fa-a-a-a-alls
 As heaven falls, heaven falls
 Heaven fa-a-all down on me

Verse 2

Nothin' quite like all this color
 Couldn't paint a better day
 Got good times on the horizon
 I can see them on their way
 Couple birds came up beside me
 Had to feed 'em some Bob Marley
 Swear I heard them angel calls

Chorus
